

October 2021 LEIS
Meeting Minutes

- Developmental Profile 4: Melissa Curtis gave an overview of the new evaluation tool being used to determine eligibility. This evaluation is done completely by parent report.
- DP4 Child Outcome Summary Crosswalk: Jennifer Strock shared the crosswalk that goes along with the DP4.
- TECS Website and Updates: TECS has launched their new website. Visit <https://uscmcd.sc.libguides.com/tecs/home> to access lots of resources for families and providers. RBI training for region 2 is complete and trainers will be submitting their videos for certification.
- General Supervision Determination Meetings: meeting times and links for local determinations will be going out soon.
