

LETTER OF INTENT TO COLLABORATE BETWEEN

\_\_\_\_\_ and \_\_\_\_\_

We, the “Parties” listed above, intend to develop a Collaborative Partnership based upon the following principles:

The Parties desire to undertake this collaboration to build on existing relationships and/or form new relationships in order to implement a new service delivery model that aims to coordinate care for the uninsured, high utilizers of ED services and the chronically ill, and to support the Triple Aim initiative which will lead to improved health of the population, improved patient experience of care and reduce per capita cost of health care.

The Parties recognize that this is a general overview regarding the roles of the individual parties in this proposal, and a formal Memorandum of Understanding between the Parties will be agreed upon and submitted by the beginning of the Performance Period, October 1, 2013, if selected for participation.

The Parties shall enter into good faith negotiations for the purpose of establishing a Memorandum of Understanding for each of the activities described in the Process Improvement Plan. The rights and obligations of each Party will be contained within the Memorandum of Understanding.

Consistent with applicable law and each Party’s policies and procedures, the Collaborative Partnership may enter into agreements to support and perform each of the activities described in the Process Improvement Plan for the purpose of realizing any or all of the objectives of the collaboration.

The Parties agree to adhere to the highest scientific quality, values and ethical standards in their joint activities.

The Parties have designed this HOP Process Improvement Plan based upon a commitment to maintain an equal partnership and long term sustainability in a manner which maximizes their mutual ability to: generate and disseminate knowledge; apply that knowledge to solve priority health problems; and measure and assess improvement plan output throughout the collaboration.

The term of this Letter of Intent to Collaborate (LOIC) shall be for the duration of the performance period, if approved.

Either Party may terminate this LOIC without cause upon at least thirty (30) days’ prior written notice to the other Party and agrees to notify the South Carolina Department of Health and Human Services of the termination.
