**SOUTH CAROLINA FAMILY RESOURCES AND SUPPORTS:**

**A PROJECT OF BREAKING BOUNDARIES**

- **MISSION:** Create a structure in which family driven and youth guided family advocacy for children and adolescents is coordinated and provided statewide.

- The vision of South Carolina Family Resources and Supports is to assist and encourage families of children with behavioral healthcare needs to use resources and supports available to strengthen and empower their families and improve their quality of life.
**Federation of Families of South Carolina**

- Our mission is to provide leadership in the area of children’s mental health through education, awareness, support and advocacy.
- We provide support and training to youth with emotional or behavioral issues and their families.
- To refer youth and families:

NAMI South Carolina

Mission: Improve the quality of life and treatment for the seriously mentally ill and their families in South Carolina through education, support and advocacy.

Referrals can be made to NAMI South Carolina by calling 800-788-5131. Families will be given a contact name and phone number for the closest of the seventeen NAMI South Carolina affiliates so they can access free support groups and education programs.
Mission: To enhance the abilities of families to assist children and young adults with disabilities in obtaining service and opportunities needed to become successful adults.

PRO-Parents provides statewide, information, training and assistance to families and those involved with the family about disabilities, parents and children’s rights under the special education and related laws and resources available in the community, state and nation. There is no charge for services or requirements to receive services.
